

# Matrice di screening delle tecnologie di bonifica

	Composti Inorganici							Composti Organici										Tempi	Necessità di manutenzione/ monitoraggio a lungo termine	Impatti a breve e lungo termine sulle risorse naturali	Applicabilità e limiti	Costo Studio				
	Arsenico	Cadmio	Cromo	Piombo	Mercurio	Zinco	Altri metalli e composti inorganici	Idrocarburi Aromatici	Idrocarburi Policiclici Aromatici	Idrocarburi Alifatici clorurati cancerogeni	Idrocarburi Alifatici clorurati non cancer.	Idrocarburi Alifatici alogenati cancer.	Nitrobenzeni	Clorobenzeni	Fenoli non clorurati	Fenoli clorurati	Ammine aromatiche						Fitofarmaci	Diossine e furani
